**Annual Meeting Welcome Reception:** A Welcome Reception will be held on Saturday, November 22, from 5:30 p.m. to 7:00 p.m. in the Foyer of the Marriott Ballroom. This event will be an opportunity to connect with your colleagues early in the Annual Meeting. The reception will be a cash bar with light snacks.

**Annual General Business Meeting:** The Annual General Business Meeting is open to the membership and will be held on Sunday, November 23, from 4:30 p.m. - 5:00 p.m. Presiding are President Barbara B. Flynn, Wake Forest University, and Treasurer Julie E. Kendall, Rutgers University-Camden. Please make every effort to attend this meeting.

**President’s Reception:** The President’s Reception, honoring Barbara B. Flynn, will be held Monday, November 24, from 6:00 p.m. - 7:00 p.m. Everyone is encouraged to attend.

**“The Capitol Steps”:** The Institute’s Ad hoc Committee on Social Events for the 2003 Annual Meeting has arranged for The Capitol Steps, a troupe of congressional staffers-turned-comedians, to perform at the Marriott on Monday, November 24, from 6:45 p.m.-7:30 p.m. This is a show that no one will want to miss! For more information about this comedy troupe, go to www.capsteps.com

**Regional Activities:** The Institute’s six Regions are planning to hold separate events in the Marriott on Sunday, November 23, from 4:30 p.m. – 6:00 p.m. Please check the Special Events schedule in the final program for the locations of these regional events.
**Tour Program:** HERITAGE TOURS LTD. (HTL) Washington’s foremost tour company operating in the D.C. area since 1976, has been selected by DSI to present an exciting, customized variety of tour programs during our conference week. You may link into their web site from www.decisionsciences.org or go to http://www.heritagetoursltd.com/dsi/ to register for these tours. HTL will be on site at the Marriott to distribute tour tickets for those who have pre-registered and will release additional seats if space is available.

**2003 Proceedings Format:** The 2003 Annual Meeting Proceedings will be produced in CD-ROM format only. The CD-ROM Proceedings is included in the conference registration fee for all registered attendees who wish to receive the Proceedings. Additional CD-ROM Proceedings can be purchased at the additional cost of $25.00, but must be ordered by no later than October 1, 2003.

**Local Services:** Tours, rental cars, dining, entertainment, babysitting and child care services can be arranged by Heritage Tours, Ltd. which will operate a tour desk in the registration area during the conference.

**Media Resources:** Sessions at the Institute’s Annual Meeting are organized around different types of sessions ranging from paper presentations, workshops, tutorials, to panel discussions. As in the past, each session room will be equipped with a standard overhead projector and screen and a few writing pens.

Again this year, the SAP University Alliances and Innovation Institute has made it possible to offer LCD projectors to presenters at the conference. LCD projectors will be available for all presentations free of charge at the DSI Annual Meeting. It is only through the generosity of SAP that we are able to provide this valuable service to our members. The rental cost of providing projectors for the entire program is quite substantial, so please take the time to thank the SAP representatives at the meeting.

The Marriott Wardman Park Hotel has a local media company in the hotel. If you would like to rent and pay for other media equipment, you are encouraged to contact Jonathan Holland with Projection Presentation Technology at (202) 328-2982. You should contact Jonathan directly for the specific charges and individual payment arrangements.

**CPE Credit Available:** Continuing Professional Education (CPE) credit will be available to all CPAs attending the 2003 Annual Meeting. CPE forms will be available at the conference registration desk in Washington, D.C. The forms will be similar to those used at AAA national and regional meetings.

**The “paperboy problem” of the annual meeting meal functions:** The registration process for meal functions during the Annual Meeting is really the classic “paperboy” problem of inventory theory. When people pre-register in late spring or the summer, they indicate whether they will attend the Sunday buffet lunch and/or the Tuesday awards luncheon. As the meeting approaches, many change their minds because of airline reservations, or even because of the weather on the day of the meal function. History shows that anywhere from 40 to 91 percent of the people who say they will attend the meal function actually do so. For example, at a recent Institute Annual Meeting, 877 people said they would attend the Tuesday awards luncheon. The Institute committed to the hotel for 625 meals, but only 385 people actually ate a meal. The result was that the Institute was charged $25 for each of the 240 meals not eaten, for a total loss of $4,000. If we had committed for all 877 meals, the loss would have been even larger $12,300. The Board does not believe that we are good stewards for the membership if we allow such waste, and so we seek that illusive middle ground where everyone gets served without too many wasted meals. It is the Institute’s policy that if a person is unable to be seated at a meal function, he or she will be reimbursed if they present the meal ticket to the Institute’s staff at the time of the meal function.
